About the PGA TOUR Wives Association

As the world's greatest players go to work each week, the PGA TOUR Wives Association makes a significant impact on the communities they visit. The objective: To provide support for needy children and their families through a variety of volunteer and fundraising activities conducted during TOUR events. Whether it's working side-by-side with Habitat For Humanity building houses in New Orleans, hosting a Taste of the Tour fundraiser in Las Vega or drawing attention to the Greater Boston Food Bank by sorting more than 6,500 pounds of food to those in need, the commitment to giving back leaves an impression long after tournaments are over.
